S.N.237, DHANGAWADI, TAL-BHOR, DIST- PUNE.**

**NEWS LETTER
2023 - 2024**

**DEPARTMENT
OF
COMPUTER
ENGINEERING**

Founder Director's Message

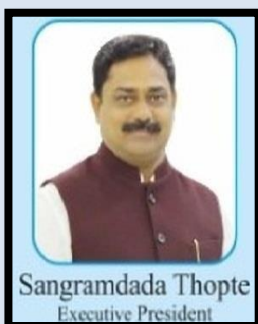

Anantrao Thopte
Founder President
Ex: Education Minister

Believe that diploma education provides hands on experience to students. At RDTC polytechnic, we are committed to creating an ambience for nurturing innovation, creativity and excellence in our students. We aim to prepare young engineer entrepreneurs and managers. They will have the competence and confidence to face all challenges. It is possible only when we impart high quality technical and managerial education coupled with appropriate training and wide exposure to the state of art practices.

This newsletter lays emphasis on all round personality development and also on inculcating human values and professional ethics. It helps our students become more human and socially responsible beings to lead a meaningful life. I wish a very knowledgeable, healthy and prosperous life to all.

Executive Director's Message

Sangramdada Thopte
Executive President

In RDTC polytechnic we are continually working towards giving practical exposure and first hand training to all students. The work results of our pass out students are fabulous. When they go job, they feel it easier to cope up with the environment and to them the work looks like a routine life. It eases their efforts and minimizes the gap between academics and industry. Finally it helps the students to achieve their dreams of life more easily.

It covers all the efforts taken by students, staff members and all stake holders of the wish them all the best for the efforts.

Campus Director's Message

On behalf of management, I congratulate Mechanical department on releasing its first issue of newsletter. Ultramodern laboratories and knowledgeable, versatile and well qualified staff members are the asset of the RDTC Polytechnic. We encourage all staff members to go for research and for higher studies. The results are really excellent. Teachers imbibe the RDTC in to the upcoming generations. We also encourage every student to participate in co-curricular and EXTRACURRICULAR activities. Hence our students out shine in all spheres of life. They are researchers, entrepreneurs, managers, technical advisors and so on with excellent outcomes. I wish this newsletter begins a new era in the progress of the department and it brings an ever growing fame to it. All the best.

Principal's Message

Prof. Khopade D.K.

I am very happy to note that the department of Computer Engineering of RDTC Polytechnic is releasing its newsletter enumerating the various activities and achievements of their faculty and students. Polytechnic education provides the knowledge and skills required to help revolutionize the world in which we live. The students and faculty of department are proactive in taking initiatives in technical, cultural and social events. I hope this newsletter will serve the purpose of reflecting all activities of this department and it will inspire others to do their best. I congratulate all the students who have put their efforts in bringing this first issue of newsletter and also appreciate HOD and all faculty members for motivating the students towards this fulfillment. I wish each one of them in the department success in all their endeavors.

Head of Department's Message

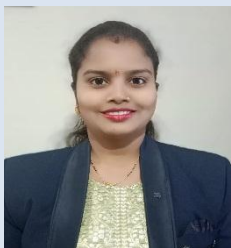

Prof. Salunkhe A.A

It gives me immense pleasure to lead the Department of Computer Engineering, the most sought programme by the students. We are thrilled to be partnering with you as you participate in an exciting educational journey of discovery.

The modern era has witnessed a rapid development in Computer Engineering, both in hardware and software. Each year, a host of new advancements is unveiled, from Robotics to Advanced Operating Systems, Microprocessors, and Supercomputers. As the desire for advanced technology continues to increase, so too does the demand for Computer Engineers. The students of the Computer Engineering are highly demanded by the recruiters of the top companies. Thus the scope of Computer Engineering is endless. The Department of Computer Engineering is one of the oldest departments which is established in year 1985. The prime motive of the Department is to provide quality education to students.

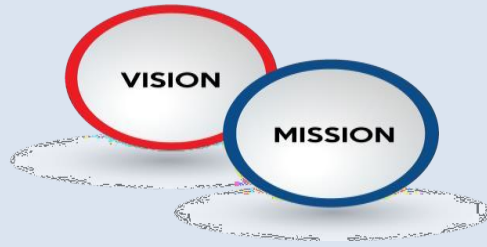

Department has always been providing a platform for the students to enhance their employability skills through Industry-Department Collaboration with MoUs. All faculty members of the Department of Computer Engineering, are strongly committed to supporting your success. In return, we know you will study hard, seek out and respect the opinions of faculties and find opportunities to give back to your society. We are confident that our students will emerge as assets not only to this institution but also to the entire society at large.

Editor's Message

Prof. Khade P.A

I am very glad to inform Department of Computer Engineering is publishing News Letter for the year 2022-23. As a part of education Computer Department is always initiative to take forward steps for improvement knowledge among the students. Department always give importance to practical and hands on practice of engineering know ledge. Also promote the students for stage performance to display their knowledge from medium like paper presentation, project competition, quiz competition, workshops, exhibition etc. We are trying to display of these news in this newsletter. I am very happy to play editor role for this department. Thank You.

DEPARTMENT VISION

To be center of excellence in the field of computer engineering by providing quality technical education in rural area.

DEPARTMENT MISSION

- 1. To pass on both theoretical as well as practical knowledge in students.**
- 2. To develop capable professionals who are proficient to analysis & Solve computer problems.**
- 3. To create confident youth with a sense of duty, discipline and responsibility..**

Curricular activities

WORKSHOP

Computer Engineering department organized “Workshop on Artificial Intelligence and Machine Learning”

Name:-Mr. Dilip Singh.

Designation:- CEO

Company Name:- InnovatusTechnologies.

Subject: AI and ML **Date:**1 to 3 Nov 2023

Information: An “intelligent” computer uses AI to think like a human and perform tasks on its own. Machine learning is how a computer system develops its intelligence

Guest Lectures

➤ We Organized Guest Lectures on “Recent Trends and Opportunities in IT”

Name:- Mr.Sanket Warkhade

Company Name:-Citrix R &D Viman Nagar,Pune.

Subject: Recent Trends and Opportunities in IT. **Date:**16/09/23

Guest Lectures

- We Organized Guest Lectures on “AI & Machine Learning”

Name:- Mr. Dilip Singh.

Date:18/10/23

Guest Lectures(Alumni Contribution)

- We Organized Guest Lectures on “Mobile Application Development”

Name:- Miss.Sanskruti D. Sonawane(Alumni Student 22-23)

Subject: Mobile Application Development. Date:17/01/24

- We Organized Guest Lectures on “Mobile Application Development”

Name:- Mr.Madhav C. Vedpathak(Alumni Student 22-23)

Subject: Mobile Application Development. Date:18/01/24

- We Organized Guest Lectures on “Soft Skill”

Name:- Miss.Anushka Sawant(Alumni Student 22-23)

Subject: Soft Skill. Date:27/01/24

- We Organized Guest Lectures on “Self Learning Method”

Name:- Miss.Sanika Khopade(Alumni Student 22-23)

Subject: Self Learning Method. Date:27/01/24

EXTRA-CURRICULAR ACTIVITIES

We organized following activities –

- On Monday 7 Sep. on the occasion of **Dahihandi Celebration-2k23** were in campus

Engineers' Day 2K23

National Engineers' Day in India is celebrated every year on September 15 to commemorate the birth anniversary of Sir Mokshagundam Visvesvaraya, a renowned Indian engineer and statesman.

On Thursday 19 Oct. on the occasion of NAVRATRI DANDIYA GARBA Celebration-2k23 were in campus.

Our college organized **Blood Donation Camp**
On 11 th Jan. 2024
Students of our Department participated in Blood Donation Camp.

INDUSTRIAL VISIT

FAST Presents India Science Festival 2024

We organized Industrial Visit of Computer Department student to Innovatus Technologies, Pune

INDUSTRIAL VISIT

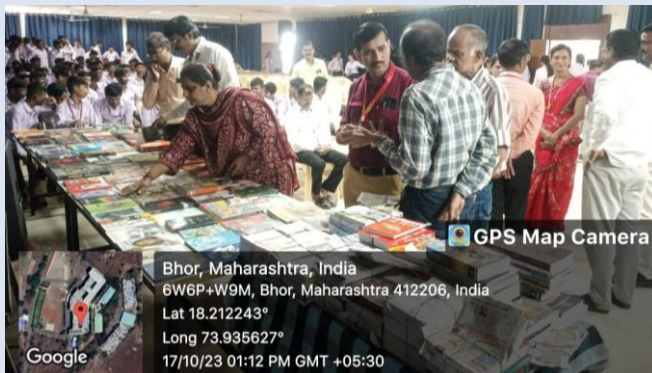

We organized Industrial Visit of Computer Department student to Rajiv Gandhi Zoological Park.

We organized Industrial Visit of
Computer Department student to IUCAA.

On 17th Oct.2023 the occasion of **Dr. A.P.J Abdul Kalam Jayanti** & “Awareness of Vachan Prerena Din.” Dept. of Computer Engineering organized jointly an event cum Essay Writing, Quiz competition & Speech competition (Mala Avadalele Pustak)

On 3rd Jan. 2024 the occasion of **Savitribai Jayanti** was celebrated in college campus.

On the occasion of “**SHIVJAYANTI**” Students of Computer engineering celebrated an event.

We organized Annual Gathering **Mudra** & State Level Dance Competition **Rajgad Karandak**.

Technical Event 2K24

CHIEF PATRONS

ABOUT DEPARTMENT

Department of Computer Engineering is committed to provide excellence in Engineering. We are also committed to nurture the students to get acquainted with the latest skills and practices keeping the pace with the industry. Department continuously organizes various seminars, workshops to develop and improve technical and intellectual skills. Experienced and devoted Faculties, Well equipped Laboratories, Research Culture and Disciplined Environment are major strengths of Department. Our alumni are working at well known industries. We also depute our faculties at renowned institutions for various training programs. Students and faculties are active members of Technical Bodies such as CSI, IEEE and ISTE. Students Association (ACES) provides student a platform to enhance their skills and personality.

DEPARTMENT VISION

To be center of excellence in the field of computer engineering by providing quality technical education in rural areas.

DEPARTMENT MISSION

- M1: To pass on both theoretical as well as practical knowledge in students.
- M2: To develop capable professionals who are proficient to analyse & solve computer problems.
- M3: To create confident youth with a sense of duty, discipline and responsibility.

ABOUT TECH UTSAV 2K24

TechUtsav 2k24 at Rajgad Dnyanpeeth Technical Campus in Bhor features a dynamic Code War competition on the Occasions of International Women's Day & Mahashivratri. In this TechUtsav 2k24 participants will exhibit coding skills in various languages, embodying inclusivity and innovation. This event mirrors the celebratory essence of these occasions, emphasizing diversity and progress. TechUtsav 2k24 encapsulates the spirit of inclusivity, innovation, celebration and resonating deeply with the ethos of these auspicious days.

TechUtsav 2k24

A STATE LEVEL CODE WAR
 (An Online Coding Event)

JOIN THE WAR ON 8TH MARCH 2024
 TIME: 12:00 PM TO 12:40 PM

RULES FOR CODE WAR

1. TechUtsav 2k24 event is only for All Diploma Students.
2. Registration fee is ₹50/- for boys and ₹30/- for Girls.
3. Code War includes total 35 MCQs.
4. MCQ may contain the error code, solve the error and then give the answer.
5. Total Duration will be 40 Minutes.
6. E-Certificate will be provided to all participants.
7. Participants who have enrolled their names through registration link and will be eligible for participation and E-Certificate.

To register for TechUtsav 2k24, use below link or scan QR Code.
<https://forms.gle/9r9e6lyVgVpDTxa49>

Important Dates of Event

1. Last Date of Registration: 07/03/2024, 08:00 PM
2. Date of Event: 08/03/2024, Time: 12:00 PM TO 12:40 PM

Final decision given by Organizers regarding questions included and result will be mandatory to all.

PROGRAM VISION

To establish Code War as a global platform that nurtures innovation, collaboration, and excellence in programming, empowering individuals to tackle real-world challenges and shape the future of technology.

PROGRAM MISSION

- To Promote Technical Excellence
- To Foster Innovation
- To Empower Future Leaders
- To Promote Diversity and Inclusion
- To Build a Thriving Community

ENTRY FEES
 50 Rs (For Boys)
 30 Rs (For Girls)
